UTAH COUNTY SHERIFF'S OFFICE, PROVO POLICE DEPARTMENT, and THE UTAH 1033 FOUNDATION

The Eighth Annual

Mountain States SWAT Training & Competition August 16-18, 2022

A premier training event and competition, Mountain States SWAT Training & Competition (MSSTC) includes over 48 hours of live fire courses, non-lethal scenarios, obstacle courses, and more.

Up to 24 teams from all over the Western U.S. will compete, making this a great opportunity to get in front of operators and decision makers to showcase and demonstrate your products.

ENHANCED Sponsorship Opportunities

Option to spend both days at Thistle Gun Range **OR** both days at Utah Fire Rescue Academy (UFRA) in Provo. Since teams rotate sites, vendors would need to stay at selected location for both days to see all teams.

UFRA site is a smaller venue, so there will be a limit on number of vendors and will be first come, first serve.

Vendors at UFRA will be set up at the food/rest area or can be set up at a specific event.
